

Community safety

■ Somerset West Neighbourhood Watch (SWNW) held a braai at its Communication Centre to thank the members of its Community Safety Partners (CSP) for their ongoing support, on Wednesday November 9. Hamburgers and cool-drinks were packed for officers on duty who could not attend. The CSP comprises ADT Security, AM/TSU Security, Gordon's Bay Security and Medical Rescue, Secure Rite Security, ER24 and EMO, who support SWNW around the clock. There is no cost involved, and patrolling is optional.

● SWNW is holding a general information meeting on Thursday November 24, at 6pm, in the Education Centre at the Helderberg Nature Reserve. They will outline some of their activities, future plans, and answer questions. All are welcome, and refreshments will be provided.
